

KOBRA HDD

HARD DISK DRIVE (HDD) SHREDDER

Manufacturer: ELCOMAN srl
Brand: KOBRA
Model: HDD
Article Code: 99.945
EAN Code: 8 026064 999458

Throat width:	127 x 30 mm
Shred size:	40 mm x random cross cut
Security level ISO/IEC 21964 (DIN 66399):	T-1 E-2 H-3
Shreddable materials:	Hard Disk Drives, CDs/DVDs, Blu-ray Optical Media, Credit and Identity Cards, USB sticks, Solid State (Phones and PDAs).
Waste bin capacity:	40 liters
Rated Capacity: Cutting Speed:	280 HDD/hour (3.5" drive) 30 mm/s
Noise level:	50 dB(A)
Voltage:	- Europe: 230V/50Hz up to 20 Amp. - UK: 400-415V/50Hz three phases up to 20 Amp.
Power:	1500 Watt
Dimensions (WxDxH):	120 x 84 x 123 cm
Net weight:	550 Kg

Datasheet n.143 rev.2

MAIN FEATURES

Kobra HDD is a hard disk drive shredder capable of destroying Digital Media Devices including Hard Drives up to 3.5", LTO, Ultrium magnetic tapes, CDs, DVDs, Blu-ray Optical Media, Credit and Identity Cards, USB Sticks and Solid State Devices (Phones and PDAs).

The new KOBRA HDD produces very low noise levels and continuous duty operation, destroying digital media devices with a shred dimension of 40 mm x random and making retrieval impossible; it can shred up to 280 3.5" hard drives per hour. KOBRA HDD offers the latest Touch Screen Technology, the most technologically advanced on the market today. Functions are activated by simply touching the panel. Also, illuminated optical indicators clearly show the current status of the machine.

- **24 hour continuous duty motor** enables powerful and long operation at a minimum noise level
- **High efficiency motor:** saves considerable electrical energy cost
- **LED-FCS Touch Screen Panel:** functions are activated by simply touching the panel. The special **LED Feeding Control System** allows the operator to monitor and control the load on cutting knives during bulk and continuous shredding.
- Exclusive shredding technology through **high strength carbon grade steel cutting knives** for extended durability
- **Automatic Stop** with light indicator for bag full
- **Safety Stop** in case of open door / bin removal
- **Automatic Reverse** in case of jamming
- **Emergency stop switch:** stops all machine functions immediately
- Easy to move thanks to heavy duty casters

POWERFUL HARD DISK SHREDDER

The KOBRA HDD produces very low noise levels on a 24 hour continuous duty operation, destroying digital media devices with a shred dimension of 40 mm x random.

Convenient touch-screen panel with LED Feeding Control System.

Easy removal and emptying of waste container.

OPTION

Kobra HDD can be supplied, on request, with the NSA National Security Agency approved Hard Disk degausser, model name MAGPRO 100.
