EB-X04

High-quality, mobile projector for the home and office with 3LCD technology, XGA resolution and flexible, easy-to-use features

The whole family will enjoy this high-quality, versatile projector. Whether watching stunning films and family photos on a big screen or delivering crisp, clear presentations, the stylishly-designed EB-X04 is ideally suited for both the home and office. Easy to move and quick to set-up, users can start watching exceptional-quality content in no time at all.

15 years worth of entertainment
With a long lamp and filter life, even if using the projector to watch a movie every day, it would be up to 15 years before either would need to be changed[1].

High-quality, bright images
Experience exceptional-quality images that are three times brighter than competitor products[2] thanks to 3LCD technology and equally high White and Colour Light Output. View your content like never before and pick out even the finest detail with crisp, clear blacks creating clearly defined shadows, all thanks to a 15,000:1 contrast ratio.

The big picture
Able to take content from a range of sources and display it up to a massive 300 inches, the EB-X04 uses an HDMI inputs to allow users to broadcast high-quality digital video and audio content. You can even project photos and documents straight from a smartphone or tablet with Epson's iProjection app[3].

Everything included for fuss-free installation
An included carry case makes for easy movement of the projector from room to room. Horizontal and vertical keystone correction mean the projector can be installed in a number of places without distorting the image.

Eco-friendly features
By varying the lamp power according to what content is being displayed, the EB-X04 can help save energy, while eco-mode helps reduce power consumption and extend lamp life.
